

EECO FLEXI Green

Flexibility any size!

Give your business the perfect set of wheels with EECO Flexi Green. With maximum floor area, a payload of 540 kgs* and CNG fuel option, it offers a great combination of spaciousness, efficiency and economy to fit all your business needs. What's more, EECO Green is equipped with an Intelligent Gas Port Injection (i-GPI) Technology which has dual onboard computers that intuitively controls gas injection, thereby, giving enhanced performance and pleasurable driving experience in both petrol and CNG modes. That's not all, it also comes with a Maruti Suzuki warranty ensuring complete peace of mind. Now carry more goods, faster and cheaper, and let your business boom.
